Paper Title

Lightweight Blockchain-Enabled Federated Deep Learning with Differential Privacy for Secure Healthcare IoT Networks

Reviewer #1

Questions**1. What is the nature of the article?**

Research article

2. Does the paper reflects theme/scope of the conference?

Yes

3. Originality

Good

4. Innovation

Fair

5. Significance

Good

6. Organization of the manuscript

Good

7. Are the results discussed convincingly

Yes

8. References

Fair

9. Language

Fair

10. Quality of Figures

Good

11. What is your recommendation on the paper?

Accept as it is

12. Detailed comments about the paper (Mandatory, it will help authors to revise and improve the paper further)

Accepted
